School Building Fund Request (It is Tax Deductible)

Dear Parents & Carers,

At the end of 2018 our P&C established the MBPS Building Fund. The MBPS Building Fund raises money for the construction, improvement and maintenance of our school buildings. The Fund is operated by the School Building Fund Committee, which is part of our school's P&C.

This is the first year of operation of the MBPS Building Fund, so we will be working on setting the priorities for the Building Fund with our Principal, Ms Attard, to have the greatest impact on the educational development of our children. Projects we will be considering include Covered Outdoor Learning Area (COLA) and maintenance of our auditorium. Obviously, this will depend upon donations received.

But we need your help!

As we approach the end of the financial year, the P&C would be grateful if you would consider donating to the MBPS Building Fund. If you run a business you can contribute via your business or ask your employer if they would make a donation to our Building Fund. See the Contribution Form on the next page to understand how to donate.

Building the future for our children is about contributing what you can – gifts large and small are all appreciated. All **donations greater than \$2 are tax deductible** and can be made at any time throughout the year.

As this is our first year for the Building Fund we have not set a target yet. Exactly where the money will be spent will depend on the funds received.

While the State Government provides a budget for the school, the funds only cover the running costs, and do not typically extend to the replacement or refurbishment of facilities. The standard of facilities the students can enjoy now and into the future will be built on the generosity of our current and past families and the school community.

If you have any questions please email buildingfund@mbpspandc.org.au

Please note that payments are not processed by the school office staff; they are passed directly to the P&C.

Thank you for your support of our school.
